Other

http://pikespeakweavers.org/html/ppwg_weavedsn.htm - free weaving software

<https://handweaving.net/>– weaving drafts

<https://heddlecraft.com/index.html>– online weaving magazine

<https://www.weaverhouseco.com/warp-and-weft> - The warp and weft website is a catalog of weaving and textile related periodicals, pamphlets and books.

The warp and weft website is a catalog of weaving and textile related periodicals, pamphlets and books — all available to download and enjoy. The books archive includes A Twill of Your Choice, A Book of Hand-Woven Coverlets and Hand Weaving. Robin and Russ Handweavers also published books such as Dressing The Loom and 16-Harness Patterns: The Fanciest Twills of All, and the periodical Drafts and Designs. Other periodical highlights consist of The Weaver's Quarterly and Modern Weaver.
